

Time is Running Out!

Have the new administrators in your school board been told about CPCO and the Member Benefits Program?

CPCO is requesting your assistance in encouraging newly appointed administrators to contact Gaby Aloï at galoï@cpcó.on.ca or 1-888-621-9190 ext 26 to register for membership if they have not already done so.

New members in boards who participate in the CPCO LTD program through Johnson Inc. must apply **within 60 days** of their appointment. Important services such as the CPCO legal services plan take effect from the time the membership application has been processed.
