Prove It! The Catholic Teen Bible

Because teens need more than just the basics in a youth Bible.

Through the colorful pages of the Catholic Teen Bible, teens will find the proof they are looking for about:

God – What Believing in God means, how He is present and how we can respond

Jesus – Who Jesus is, what Jesus said and did and how He will come again

Church – What the Church is, what it offers us and how and why we must be involved

Prayer – Forms of prayer, how to pray and how God responds to us when we do

You – Who you are, God's plan in your life and the difference you can make

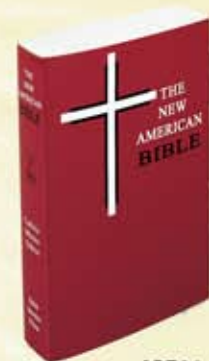

Complementing the page-indexed NAB text, The Catholic Teen Bible features other youth-friendly material including articles on the Ten Commandments, Fruits of the Holy Spirit, the Cardinal and Theological Virtues and much more. The Catholic Teen Bible is a great resource for bringing Catholic youth closer to their faith and the scriptures.
