

**People for Education Survey**

Dear Principal,

This is a reminder to please fill in your People for Education survey. It's not too long this year and it's relatively easy to complete. You can fill it in online – in English or French – at:  
[www.peopleforeducation.com/school\\_survey](http://www.peopleforeducation.com/school_survey)

The survey is endorsed by all the principals' councils, trustee associations and the Ontario Teachers' Federation, and it's recognized by the Ministry of Education as an important source of information about Ontario schools. People for Education uses the data from the surveys for the [Annual Report on Schools](#) and in our reports to the Minister of Education.

We have extended the deadline to December 31, 2008.

Thank you so much for your help and your participation.

Annie Kidder  
Executive Director  
People for Education
