

Best Doctors

Best Doctors, Inc. is a company that connects people with the best medical care when they need it most. Best Doctors physicians are those that other physicians consider to be the best in their specialty area worldwide. For more than a decade, Best Doctors has been providing peace of mind to people suffering from serious illnesses or injuries, by delivering sound medical information when it matters most.

As part of your employer's Group Long Term Disability Income Protection plan through RBC Life Insurance Company, you, your spouse and dependent children under the age of 26, are eligible for unlimited access to the Best Doctors service, at no additional cost.

Whether you need us to confirm a diagnosis, identify the latest state-of-the-art treatments, or find a doctor with expertise in your illness or injury, Best Doctors can connect you with the right medical care, when you need it most.

The Best Doctors service covers the following illnesses and injuries:

• Aids	• Loss of Speech
• Alzheimer's Disease	• Major Organ Transplant
• Benign Brain Tumour	• Motor Neuron Disease(ALA, Lou Gehrig's)
• Blindness	• Multiple Sclerosis
• Cancer	• Paralysis
• Cardiovascular Conditions	• Parkinson's Disease
• Coma	• Severe Burns
• Deafness	• Stroke
• Kidney Failure	• Trauma

Best Doctors gives you access to the best medical information and insight available, and empowers you to make the best health care choices. If your doctor suspects that you may have one of the listed covered medical conditions, or you have an unresolved medical problem, please contact Best Doctors at 1-866-611-8898.
