

The 38th Ophea Kids' Health Conference
October 15-17, 2009
Nottawasaga Inn, Alliston, Ontario

Interested in the physical activity, health and education needs of children and youth?

Join **elementary and secondary school teachers, principals, public health professionals and recreation leaders** for an unforgettable experience in professional learning.

This year's conference will focus on ideas to help educators prepare for the implementation of the renewed Health and Physical Education (H&PE) curriculum, and provide practical applications and supports to create and maintain healthy schools and communities.

This unforgettable experience in professional learning and networking will include:

- High quality interactive workshops & informative sessions
- Engaging Speakers & ample networking opportunities
- Daily Physical Activity (DPA) ideas and supports
- Sport & intramural activity ideas
- A wealth of health promotion & living skills information
- Creative strategies to support integrated instruction & a Teaching Games for Understanding (TGfU) approach
- Tools for assessment & evaluation
- Exhibitor's Marketplace
- New this year* - select workshops in French
