FOR IMMEDIATE RELEASE

OCSOA Announces New President - Mark Fenwick

At its annual conference in Ottawa on April 23, 2009, the members of the Ontario Catholic Supervisory Officers' Association (OCSOA) elected Mark Fenwick, Superintendent of Education with the Toronto Catholic District School Board, as its President for 2009-2010. Mr. Fenwick assumes his duties as President on September 1, 2009.

In his present role as Superintendent of Education with the TCDSB, Mr. Fenwick has responsibility for a Family of Schools. His commitment to shared professional learning has been demonstrated through his work with the Catholic Curriculum Corporation and his service on OCSOA's Board of Directors since 2006. In his role as Vice-President in 2008-2009, he has generously embraced opportunities to participate in events and meetings on behalf of OCSOA.

“My seven years as a supervisory officer has imprinted a passionate commitment to Catholic Education in Ontario – indeed **an enduring gift**. I am proud to share with my colleagues across the province in OCSOA's **Vision** that we are a faith-centred learning community of leaders called to serve and shape the future of Catholic education.”
