Attention Mentors and Mentees

June 17, 2009

CPCO is pleased to inform members that the Ministry of Education's Leadership Development Branch will once again provide funding to school boards to support the *Mentoring Newly Appointed Principals and Vice-principals* program. CPCO, in partnership with the Ontario Catholic Supervisory Officers' Association (OCSOA), will once again offer several learning opportunities for Mentoring Steering Teams, mentors and mentees such as the popular speaker series. More information will be provided once dates and locations for the series are confirmed.

The ministry has requested that all participants in the mentoring initiative complete a survey. If you have not yet had an opportunity to do so please click on the link below and complete the survey:
