

Director - After School Enrichment Program

The location of the school is in the Yonge and Davisville area. Unfortunately, I am very pressed for time and thus your immediate attention would be greatly appreciated.

We are a group of professionals/parents who are establishing an after hours school in midtown Toronto. The school will have 20 classrooms and will be designed to accommodate students in grades 1 to 12. The focus of the school will be academic enrichment coupled with leadership/mentoring programs. The curriculum will be designed to complement and supplement the students' daily school programs. The goal of our after hours school will be to prepare students for post secondary education, enable our students to be globally competitive and to teach them the skills necessary to be successful in their chosen careers.

We are currently searching for a dedicated and enthusiastic, experienced teacher/educator who can assist us in preparing the program/curriculum, hiring and training teachers and generally working with us to get our school off to a running start. The candidate must be available to commence work immediately.

This position will initially be project-based leading to a permanent part-time or full-time position. If you are interested in hearing more about this opportunity, please send your resume to uuuuc.lee@gmail.com.

If you require more information, you can reach me directly at 416-876-5284.

Regards,
Steve Lee
